

NORTH PRO EXTREME BULK

Northern Salt
INCORPORATED

Solid Crystal Deicer

Even the most extreme temperatures are no match for North Pro Extreme. Newly formulated, NPE is a proprietary blended de-icer that professionals turn to when all other products stop working. This ultra-fast-acting organic blend is optimal in crystal shape and size reducing bounce and scatter promoting a more even surface coverage while using up to 35% less product.

**Minnesota Made,
Tested, & Approved**

- Ultra fast-acting premium calcium chloride blend
- Melting point of -30 degrees Fahrenheit
- Immediate results in the coldest of temperatures
- Optimal crystal size = reduced bounce and scatter resulting in up to 35% reduction in product
