

# NORTH PRO TREATED BULK

## Crystal & Liquid Deicer

North Pro Bulk Treated Salt is your answer to unmatched performance in the coldest of climates. Our proprietary blend of natural salts combined with our high-performing organic liquid enhancers help melt ice faster while using up to 35% less product.

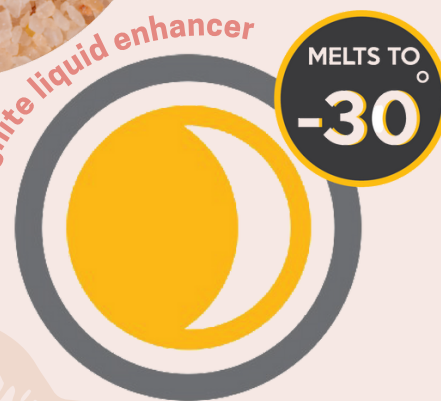

**Minnesota Made,  
Tested, & Approved**

- Enhanced with 'Ignite' deicer for maximum ice melting power
- Environmentally friendly natural blend of 4 chlorides + organic liquid
- Works faster and longer even when temperatures drop below 0
- Optimal crystal size = reduced bounce and scatter resulting in up to 35% reduction in product

*Ignite liquid enhancer*

### **4 CHLORIDE BLEND + Liquid 'Ignite' Enhancer**

**Sodium Chloride  
Calcium Chloride  
Magnesium Chloride  
Potassium Chloride**
