

NORTH PRO BULK

Solid Crystal Deicer

North Pro Bulk is the large quantity solution to your de-icing needs. Ideal for roadways and parking lots, it's more effective even at much lower temperatures while using less product. It contains a unique mixture of 4 chlorides and 15 trace minerals making it a harsh winter essential.

4 CHLORIDE BLEND

Sodium Chloride
Calcium Chloride
Magnesium Chloride
Potassium Chloride

**Minnesota Made,
Tested, & Approved**

- Works faster, longer, and colder than rock salt
- Environmentally friendly organic blend of 4 chlorides
- Pink in color for ease of application and visual coverage
- Optimal crystal size = reduced bounce and scatter resulting in up to 35% reduction in product
